

PAY @ TABLE

Take control of the payment experience and create better dining / drinking occasions for your customers. Pay @ Table brings the checkout to the customer, giving them the convenience of settling their bill at the table.

Seamless and secure payment acceptance

Enhance customer service via more 'face-time' with the customers, while creating the opportunity for inclusion of tips

Increase profitability: moving diners through a restaurant quicker to provide faster table turnaround without compromising the experience

Increase efficiencies by avoiding traffic jams at the Point of Sale (POS) terminal

Improve guest satisfaction, enabling customers to pay immediately without having to wait for their card to be returned by their waiter

Decrease labour costs through assignment of additional tables to each waiter without compromising service

Industry leading approach

Linkly has collaborated with some of the leading POS providers to create an easy to use, best in market Pay at Table (PAT) experience that includes, surcharging, tipping and split billing.

Leading Food & Beverage POS systems

Linkly has a working with the leading POS providers to certify the capability with Australia's leading merchant acquirers.

One-stop-shop for PAT

Linkly has provided PAT configurable surcharging, percentage / fixed tipping and split billing in a single seamless product.

POS logging

All Payment transactions and event logging are stored in the POS system for reconciliation and auditing purposes.

All-in-one Food & Beverage solution

The Linkly solution provides the seamless capability to conduct PAT sales including configurable surcharging, tipping and split billing in a single transaction flow.

Implementation just takes 5 simple steps:

1. Contact your merchant acquirer to request installation of a Linkly PAT compliant payment terminal.
2. Apply directly to your merchant acquirer to enable PAT.
3. Verify that your POS provider has certified with the Linkly for PAT.
4. Install and activate your payment terminals.
5. You're ready to go!
